EDUCATION AND PUBLIC HEALTH DEPARTMENT

G.O. Ms. No. 1696, Public Health. Dated the 21st May 1948.

Read:-

...

From the Surgeon-General, Ref. No. 14619/4-Bud/48 dated 6.4.1948.
From the Director of Public Health, R.No. 12409/48/P.W.R.-3 dated 12.4.48.

Order:-

The Government direct that the expenditure incurred towards medical relief and sanitary arrangements for refugees from Pakistan accommodated in this Province be debited to "57-Miscellaneous-hh-Expenditure on Refugees-A-Refugees from Pakistan" with effect from the accounts of 1947-48.

2. In connection with the question of recovery from the Government of India of the expenditure incurred on behalf of refugees from Pakistan accommodated in this Province, the following points have been raised:-

(a) whether only the actual expenditure on pay, allowances, etc. of the special staff sanctioned for refugees should be recovered from the Government of India instead of the cost on the basis of the average pay;

(b) whether any recovery should be made towards leave salary and pension of the staff;

(c) whether any recovery should be made in respect of additional staff sanctioned for medical colleges and schools in connection with the education of refugee students; and

(d) whether there should be a co-ordinating authority for all the expenditure on behalf of the refugees.

The Government have considered these points and have decided that only the actual expenditure on pay, allowances, etc. of the special staff sanctioned for medical attendance and sanitary arrangements for refugees from Pakistan be claimed from the Government of India together with leave salary and pensionary contributions and that only the school or college fees in respect of students who are unable to pay them be recovered from the Government of India. The expenditure on the additional staff sanctioned for medical colleges and schools will be debited to the appropriate departmental head. Orders in regard to the recovery of a part of this expenditure also from the Government of India will be issued separately. The Public Department will be the co-ordinating authority for all the expenditure incurred on behalf of the refugees and that department will address the Government of India periodically for the recovery of the expenditure.

(By Order of His Excellency the Governor).
